APIC,  
Three Rivers  
Chapter  
Presents:

# THE POWER OF INFECTION PREVENTION

Friday October 14, 2011

Location:

Hilton Garden Inn Southpointe  
1000 Corporate Drive  
Canonsburg, PA 15317

**Program Goal:**

This program is designed to meet the educational needs of Infection Prevention and Control Professionals across the continuum of care. Content will address optimal practices to reduce, prevent and eliminate health care acquired infections.

**Program Objectives:**

- Discuss Antibiotic Stewardship, as an Essential Part of Infection Prevention and Control Program
- Discuss Current Disinfection and Sterilization Challenges
- Discuss the Four Generations in the Workplace Today
- Discuss Strategies to Win the Battle Against Multi-drug Resistant Organisms
- Describe the Process of Conducting an Outbreak Investigation and Review Recent CDC Outbreak Investigations.
